

SIMPLUGINS PANEL BUILDER END USER LICENCE AGREEMENT – COMMERCIAL LICENSE

Please read the following terms and conditions carefully before using *simPlugins Panel Builder - Commercial License* ("Panel Builder"). Your "click to accept", installation or use of Panel Builder indicates your acceptance of this License.

Panel Builder here means Software, image files, all accompanying files, data and materials received with your order of Panel Builder.

If you do not agree to any of the terms of this License, then do not install or use Panel Builder. If you have purchased a single copy from BajuSoftware LLC or an authorized distributor, reseller or any retail channel, you may return it unused, within thirty (30) days after purchase, for a refund of your payment less any incidental charges. The 30-day warrantee is applicable only to products bought within the USA. Products downloaded to or shipped out of the USA are strictly non-refundable.

Warrantee covers defects in the software, which prevents successfully installing the software in the buyer's computer. Warrantee does not cover fitness of purpose, not meeting of expectations or needs in the mind of the buyer.

This Panel Builder license is for commercial use and may be installed and used on only one computer. An exception is the installation of the *Panel Builder Interface Software* ("Interface") as supplied for various flight simulators. The Interface may be installed on a separate, networked computer if required. This Panel Builder Commercial License Agreement grants you to use Panel Builder outside a home environment. You are permitted to use Panel Builder in commercial flight simulator systems, commercial training operations, exhibitions, flight schools and universities or any other use outside the home not listed here. The resale of Panel Builder as part of a complete flight simulator system to a 3rd party is also allowed. Complete flight simulator stipulates inclusion of flight controls, representation of an instrument panel and a visual system. The resale of Panel Builder on its own is not permitted.

All components accompanying the software are copyrighted by BajuSoftware LLC and may not be taken apart, modified, used or published with other software or means except with the Panel Builder software and may not be distributed or copied in any manner.

Panel Builder, all accompanying files, data and materials, are distributed "AS IS" and with no warranties of any kind, whether express or implied. The user must assume all risk of using the program. This disclaimer of warranty constitutes an essential part of the agreement.

Any liability of BajuSoftware LLC will be limited exclusively to refund of purchase price. In addition, in no event shall BajuSoftware LLC, or its principals, shareholders, officers, employees, affiliates, contractors, subsidiaries, or parent organizations, be liable for any incidental, consequential, punitive or any other damages whatsoever relating to the use of Panel Builder.

In addition, in no event does BajuSoftware LLC authorize you to use Panel Builder in applications or systems where Panel Builder's failure to perform can reasonably be expected to result in a physical injury, or in loss of life. Any such use by you is entirely at your own risk, and you agree to hold BajuSoftware harmless from any claims or losses relating to such unauthorized use.

This Agreement constitutes the entire statement of the Agreement between the parties on the subject matter, and merges and supersedes all other or prior understandings, purchase orders, agreements and arrangements. This Agreement shall be governed by the laws of the State of Florida, United States of America.
